PROJECTS

Cyclist

2021

Lead team of four successfully participated in a major front-end clean-up where I refactored HTML, CSS and Bootstrap to enhance functionality and overall site performance.

Card Graphix

2022

Solely worked on implementing layouts and visual elements using Framer Motion for animated effects.

Email Template design

2022

Conceptualized and designed email template using figma for source unknown clothing store.

EDUCATION

University of Pennsylvania

Philadelphia, PA / Feb 2022

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Learned modern web development skills for building scalable and responsive web apps.

Completed 3 comprehensive projects and finished Bootcamp with A+(3.9) cumulative grade.

SUMMARY

I am a promising and passionate developer who is continuously learning and growing. Over the past year, I have gained experience by attending a bootcamp and by working on various apps. I have learned the importance of writing highly readable and easily maintainable code, of working in a team, and of creating intuitive user interfaces. I constantly strive to learn new technologies and continually improve as a developer in this over-changing industry.

EXPERIENCE

Evergreen Pharmacy / Pharmacy Technician

Bluebell, PA / Sep 2018 - Apr 2021

- Communicated directly with patients over the phone to assist them in the awareness of their medications.
- Identified medications requiring special storage and/or handling such as hazardous medications and/or refrigerated medications.
- Supervised cash/credit card handling and proper insurance billing to ensure successful customer experience.

SKILLS

HTML, CSS, Javascript, React.JS, Node.JS, MySQL, Bootstrap, Typescript, Angular, GraphQL, MongoDB

TOOLS

Photoshop, MS Word, MS Excel, MS PPT, Figma, Git, Visual Studio Code
