Montgomery County Community College

Blue Bell, PA / December 2023

Associates in Liberal Arts

EXPERIENCE

Evergreen Pharmacy / Pharmacy Technician

Bluebell, PA / Sep 2018 - Apr 2021

- Communicated directly with patients over the phone to assist them in the awareness of their medications.
- Identified medications requiring special storage and/or handling such as hazardous medications and/or refrigerated medications.
- Supervised cash/credit card handling and proper insurance billing to ensure successful customer experience.

Freelance / Developer

Philadelphia, PA / May 2022 - October 2022

- Provided solid insights from user interviews and testing to enhance user experiences and engagement.
- Designed the experience and the interface of the platform that clearly streamlines and simplifies the way users interact.

Consulate of the Republic of Korea in Philadelphia /

Consul Staff

Philadelphia, PA / Jan 2023 - current

- Provided immediate and personal assistance to citizens around the world - replacing passports, assisting ill or injured travelers and assisting with marriages, births and issuing visas.
- Created and designed eye-catching videos using Adobe Premiere Pro and other platforms to provide solid insights of the embassy.
- Developed ideas from basic concepts through to fully detailed design solutions.
- Created effective and appropriate visual languages by understanding the meaning and effect of these on the audience and culture.
